Further, no employer shall make any discrimination on the ground of gender while recruiting any employee for the same work or work of similar nature in the conditions of employment, except where the employment of women in such work is prohibited or restricted by or under any law for the time being in force.

Further, in order to enhance the employability of female workers, the Government is providing training to them through a network of Women Industrial Training institutes, National Vocational Training Institutes and Regional Vocational Training Institutes. As on 29-01-2023 more than 28.55 crore unorganised workers have been registered on e-SHRAM Portal out of which 52.80 per cent are female workers.
